

Sensing and the Imaging Process (III)

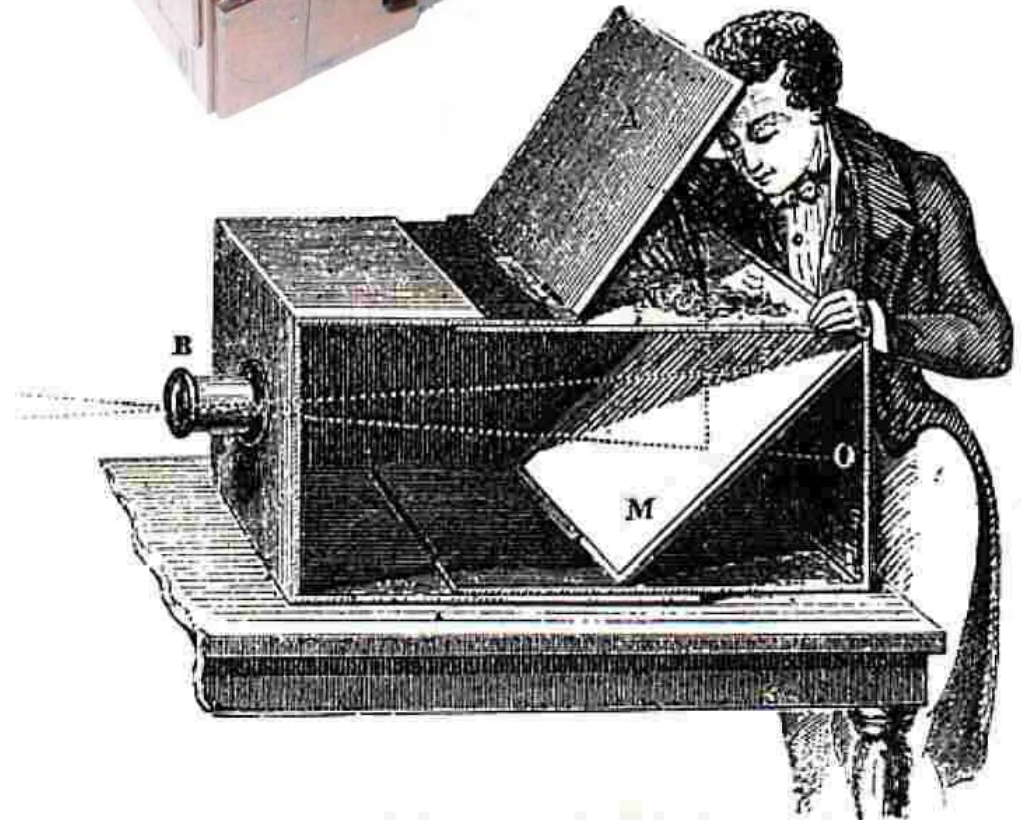

Introduction to Computational and Biological Vision

CS 202-1-5261

Computer Science Department, BGU

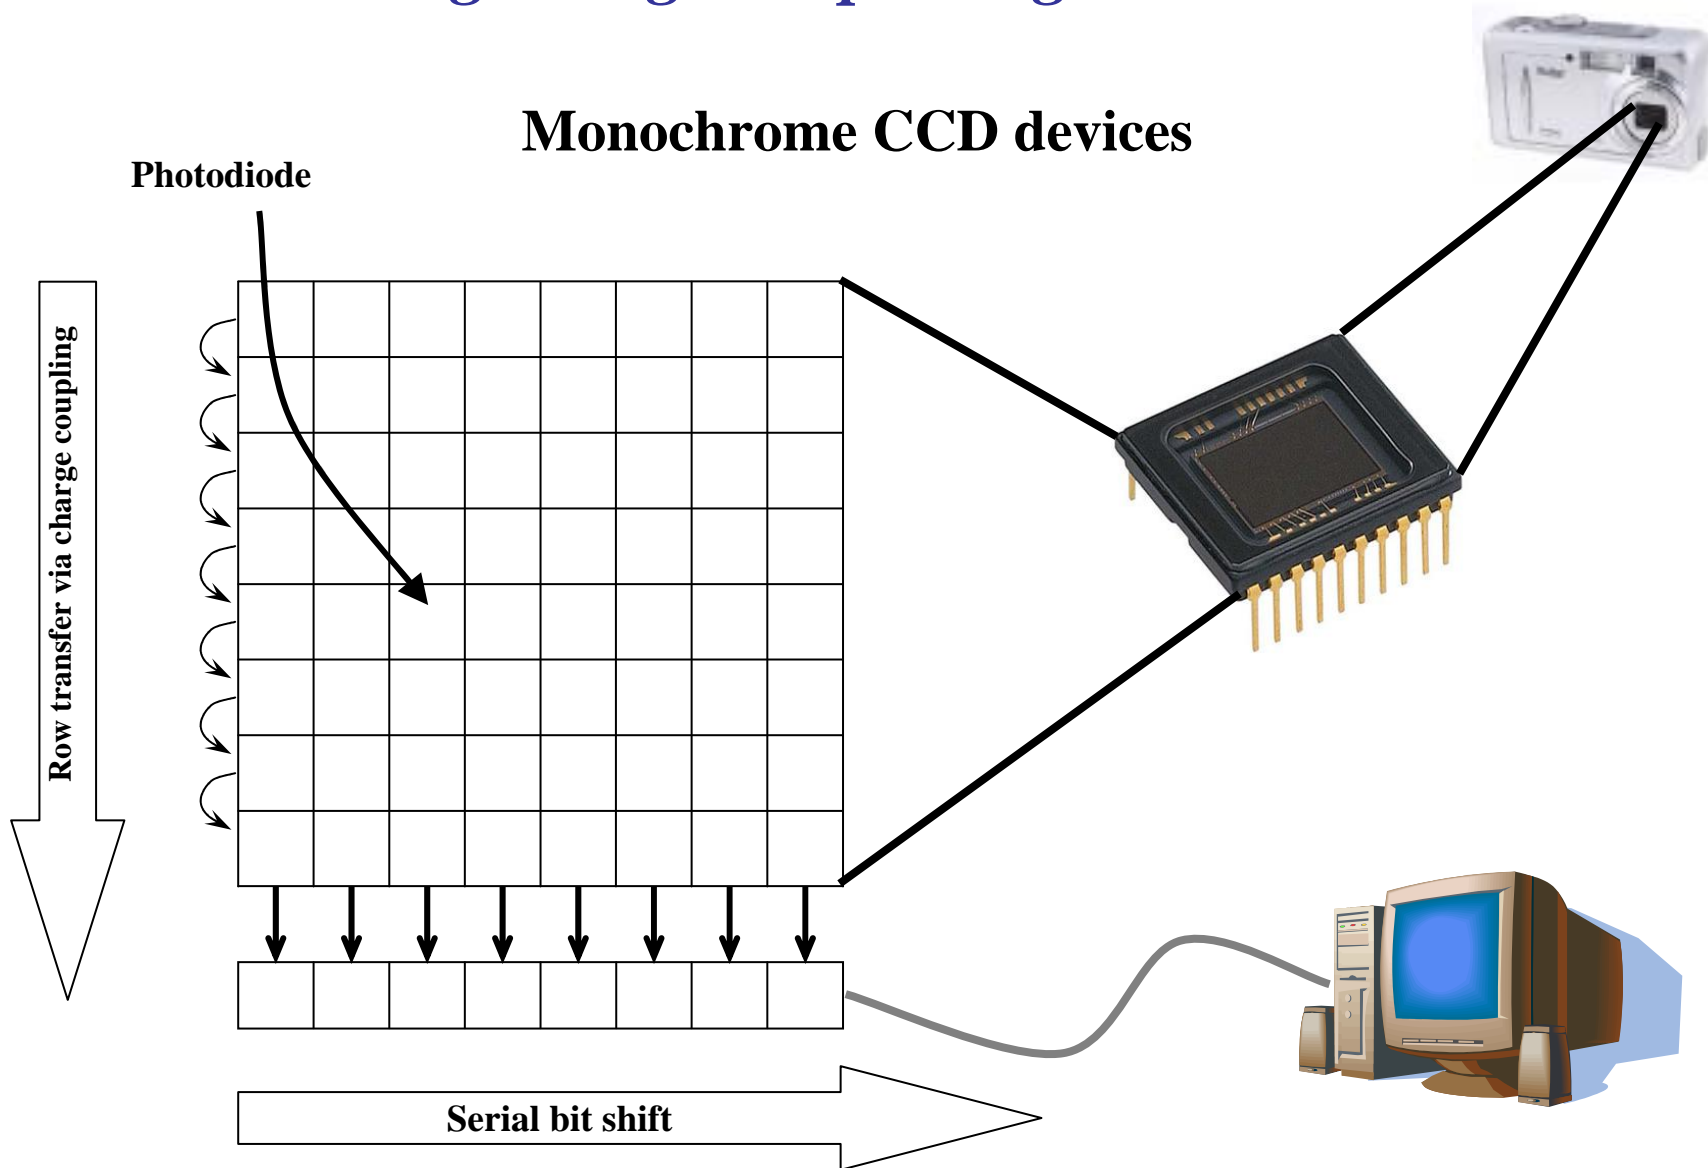

Ohad Ben-Shahar

Artificial light-capturing devices (a.k.a. cameras)

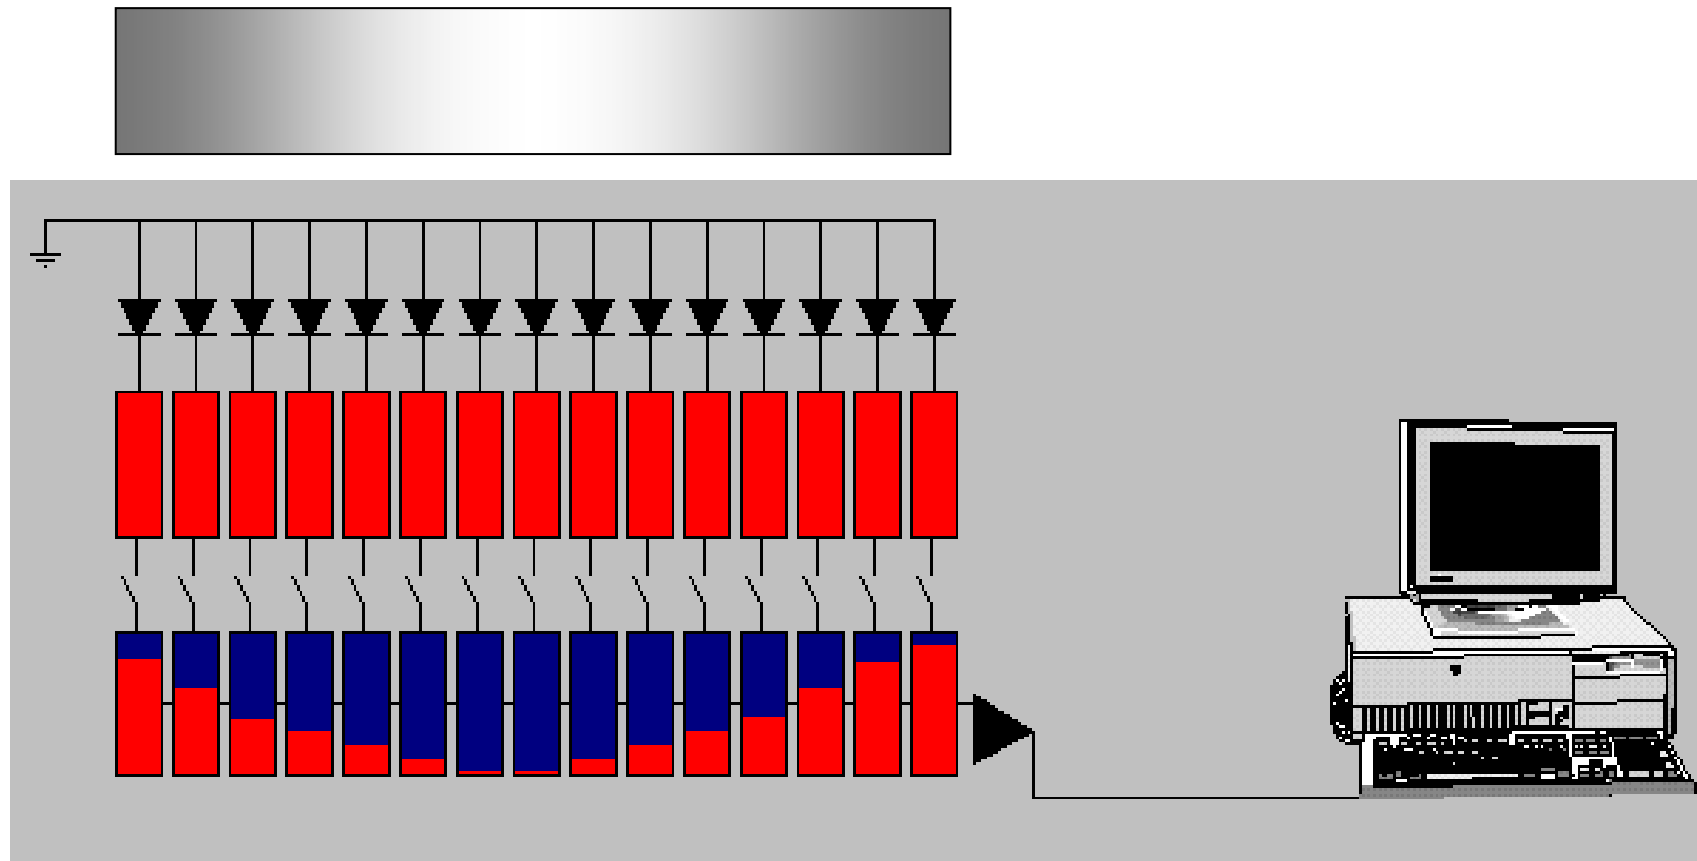

Digital light-capturing devices

Monochrome CCD devices

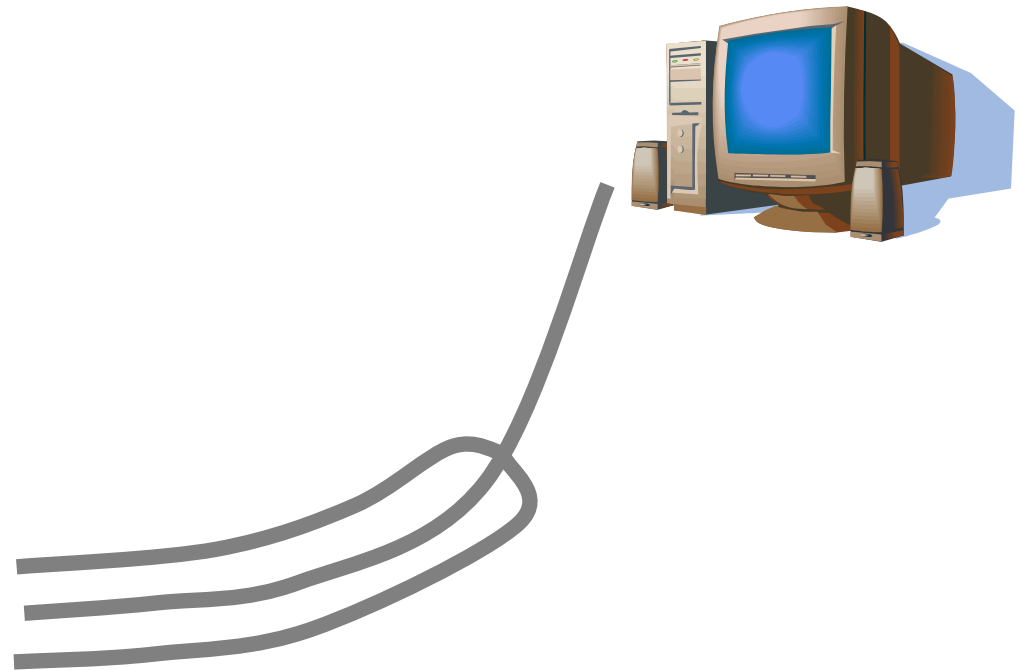

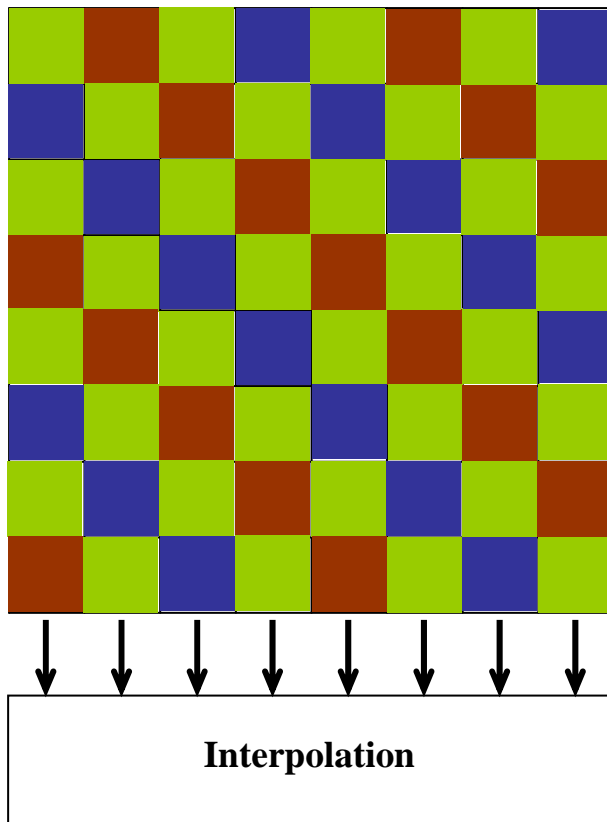

Digital light-capturing devices

Monochrome CCD devices

Digital light-capturing devices

Color single CCD devices

Digital light-capturing devices

Color 3-CCD devices
